2020 Summer Dance Schedule

The summer dance schedule tentatively begins June 8, 2020 and ends July 31, 2020.

The safety and well-being of our dancers is of paramount importance, so the timing and duration of summer classes may change due to COVID-19. If shortened, tuition will be adjusted accordingly.

Summer Tuition is based on the number of hours of dance. Tuition Chart is located on page 3.
 New intermediate and advanced students will take a free trial dance class to determine placement.
 Please call the studio or email info@staceysdance.com for assistance.

Dance-Acro Class tuition is by Summer Semester (8 classes) only. This payment is due at the time of registration due to the limited space available for each class. Classes offered are on page 2.

Summer tuition is drafted on 6/1/20 and 7/1/20. The registration fee is \$50/Sibling \$20. This is a non-refundable fee.

Class Cancellation: Studio classes may be cancelled with enrollment of less than 6 students.

Dance-Acro Description

Dance-Acro fuses flexibility, strength, balancing, limbering, and tumbling skills together. It is a challenging style for dancers to master as training in both dance and acrobatic elements is required.

Acro (acrobatics) is defined as the beautiful fusion of classic dance technique and the precision and athleticism of acrobatic elements. Often defined by unique choreography, Acro dancers seamlessly blend musicality, emotional expression, line, and extension with acrobatic movements in a dance context.

Our staff utilizes the Acrobatic Arts Curriculum, which is a progression-based program that encompasses all the aspects of Acro. The program was developed with input from professionals in Ballet, Modern Dance, Jazz, and Artistic and Rhythmic Gymnastics.

We offer 3 levels for each age group and utilize the below prerequisites. Additionally, all students who take Dance-Acro must also be enrolled in a Ballet or Jazz class.

-Level 1 - No Skill Prerequisites

-Level 2 Prerequisites - Must be able to go down and pull up from backbend/bridge

-Level 3 Prerequisites - Must be able to execute aerial and back handspring
